Step into the Wonders Retreat and find yourselves gracefully whisked away from the hustle and bustle of it all. Soothing earth tones set the stage for a calming atmosphere inside a spot where no other Day Guests can go.

Stately windows overlook the Wonders Pavilion while soft ambient lighting highlights the comfortable lounge furniture set out for your use. There are also a number of tables and chairs. All these furnishings offer a wide variety of ways to use this upscale space.

Front and center of this elite club is a circular cabana draped in sheer fabric and accented with white lights. Inside this chic staging area a New Age guitarist plays music to sooth the soul. This cabana can act as a stage, a cozy meeting space, or just an avant-garde focal point for the room.

This elegant lounge, nestled in the heart of **Epcot**<sup>®</sup>, is the perfect space in which to hold your business meetings or network gatherings. It can also provide your attendees with a quiet space in which to grab some refreshment and relax.

What better way to conclude the evening than with a private dessert event? Your Guests will indulge in platters of moist, rich, and delicious desserts and coffees, all of which is a prelude to the evening's grand finale: IllumiNations: Reflections of Earth, which encompasses the entire World Showcase and the skies above.

As the fiery glow of torches and sky-piercing lasers reflect on the lagoon, the boom of thunderous fireworks echoes atop an original music score. It is a thrilling visual and aural extravaganza as the skies above the lagoon are transformed into a kaleidoscope of color from thundering pyrotechnic bursts. On the lagoon, as images displayed across the Earth Globe tell the incredible tale of our planet, the sphere opens to signal IllumiNations: Reflections of Earth emotional finale.
